THE PROPERTY

Northfield Green is a quiet cul-de-sac within the highly desired village of East Haddon which is surrounded by beautiful North Northamptonshire countryside. The cul-de-sac itself uniquely boasts its own, residents only, green and is where you will find this substantial and stone built, five bedroom detached family home with approximately 2400 sq ft of internal space.

Walking through the front garden and under the storm porch you enter the hallway off which you have access to the WC and study to the front. To the left of the hallway is the large sitting room with log burner and views onto the front garden. Glazed oak double doors open onto the well proportioned dining room at the end of which are glazed French doors to the airy conservatory with panoramic views of the southerly facing garden. To the rear of the ground floor is a large modern kitchen with range cooker, fitted dishwasher, fitted fridge / freezer and a multitude of units. An archway leads you through to the bright breakfast room with doors to the rear garden and practical utility room.

The first floor is host to the generously sized principal bedroom with two windows looking toward the green and door leading to the en-suite shower room. Off the landing are a further three double bedrooms and well appointed family bathroom.

Stairs lead up to the second floor which is a superb space for older children or guests with its large landing which acts as this floor's reception room beyond which is an expansive bedroom with fitted wardrobes and en-suite bathroom.

Outside to the front is a lawned garden with mature bedded borders and a double width block paved driveway which leads towards a double garage with light and power connected as well as a courtesy door to garden. The rear garden is perfect for basking in the sun with its southerly aspect, paved patio and lawned areas with bedded borders.
