LOCATION

Accessed via the A508 which links Northampton and Milton Keynes, Roade village is just 2 miles south of M1 J15. Much of the village's history can be attributed to the advent of the railway in the 19th Century, which saw local men and boys help to construct a cutting, line and station in the village. Completed in 1838 the station was unfortunately closed in 1964 though the West Coast Main Line continues to operate through the cutting. Today, this popular village has sought after primary and secondary schools as well as numerous facilities to include a medical centre, post office, library, newsagent, public houses, restaurants, estate agent, garages, Methodist and Anglican churches. A variety of regular bus services operate through the village mainly to Northampton and Milton Keynes, both of which offer mainline train services to London as part of their timetables.
