## LOCATION

Northampton is a large market town 67 miles northwest of London. One of the UKs largest towns without city status, it used to be the centre of the shoemaking industry and whilst Church's and Trickers survive, the majority of factories have since been converted into accommodation or offices. The town centre has a variety of pubs, bars, restaurants, shops and businesses predominantly located on The Drapery, Abington Street, Gold Street, Market Square or in the Grosvenor Centre. There are also two theatres (Royal & Derngate) and a cinema/leisure complex. Just east of the town centre is the district of Cliftonville, predominantly focused on medical practitioners and the site of the general hospital as well as the privately run St Andrews and Three Shires. In the opposite direction in an area known locally as Castle Hill, the mainline train station operates services to both London Euston and Birmingham New Street. For road travel, Northampton has the A45 and A43 ring roads right on its doorstep plus access to three junctions of the M1 (15, 15a & 16).
