St Petroc's Meadow is a tranquil residential area of picturesque Padstow, just a short walk from the local school, doctor's surgery, vibrant working harbour, cafés and renowned restaurants.

Modernised and renovated by the current owners, 9 St Petroc's Meadow provides exceptional flexibility, making it ideal for families, multi-generational living, or those seeking additional income via a completely self-contained annexe. Occupying a generous corner plot, the gardens are a particular highlight, offering year-round interest and a peaceful outlook, backing onto a stream that

enhances both privacy and atmosphere. Adding further distinction is a detached pool house featuring a 8-metre indoor swimming pool — a rare and valuable amenity for a home in this location.

The accommodation is accessed via an inviting entrance hall, complete with cloakroom, stairs rising to the first floor, and doors leading to the principal reception rooms. The kitchen is contemporary in design, fitted with integrated appliances and stone work surfaces, and flows seamlessly into a matching utility room with access to both the rear garden and the integral garage.

The living room is set apart, forming a generous and welcoming space centred around a wood-burning stove with an attractive granite mantel. This in turn opens into the dining room, which conveniently reconnects to the kitchen, creating an excellent layout for both everyday family life and entertaining. An interconnecting door from the dining room also provides access to the annexe.

On the first floor, there are four bedrooms, three of which are genuine doubles. The principal bedroom benefits from a modern en-suite shower room, while a well-appointed family bathroom serves the remaining bedrooms.
