With access via an entrance hall, providing access to the living room and kitchen, as well as the stair case leading to the first floor. The living room, an impressive 19' x 10' room, contains a fire place and has the door leading through to the conservatory. The second bedroom is of a smaller size but is still a good size double room, with the benefit of a built in cupboard. The family bathroom completes this level. To the rear there is the garden, which is partly laid to lawn and partly paved with flower beds to either side.
