Shop, 62 High Street New Romney TN28 8AT

Description

New Romney is often forgotten by the Kent area, which is crazy because the selection of places to drink, eat and shop are fantastic. There are plenty of older style pubs like The Ship Hotel and Cinque Ports Arms. New Romney lies just off the A259, linking it with the beaches of Dymchurch and, further up the coast, with Hythe and Folkestone. There are nine railway stations nearby, including Ashford International railway station, just a 20-minute drive away. From here, you'll find services to London St Pancras departing every half an hour, with journey times of just 40 minutes.

The ground floor property is a 437 sq ft retail shop which has been finished to a high standard. The property has artificial grass has flooring and lino to the rear, new air conditioning and LED lighting throughout. There is a kitchenette at the rear and a w/c. There is also the benefit of a walk in fridge.
